Dear Club,

I'm a sweet brunette woman, and although I'm completely straight, I've often fantasised about what sex would be like to be with another girl. So when the opportunity recently came my way, I made sure I grabbed it!

I was on a business trip in Bath with a work colleague – a blonde named Heidi, whom I always thought looked fit. We happened to be sharing a room at this hotel, where there were no decent blokes there to flirt with, and there was little else to do in the downtime there but drink in the bar. So one day, after a boring business lunch that we'd had to get drunk to get through, Heidi and I went back to our room to shower and chill out till the evening.

Heidi had often talked about her boyfriend, so I knew she wasn't gay, but all the same, there was something in the way her eyes lingered a little too long on my breasts that made me wonder a little. I'm proud of my firm

tits, and I know an admiring look when I see it. Heidi was liking my style for sure.

By the time we got back to our room, my pussy was purring in anticipation. If I made a pass at Heidi and she turned me down, I could just put it down to the drinking and shrug it off. I'd brought my vibrator in case I was missing my fella too much, anyway! My opportunity came when Heidi went to have a shower, and I impulsively made an excuse to come in. I couldn't help admiring her sleek toned body as she soaped herself up. I was so horny I just jumped straight in with, "Can I help you with that?" Then, like it was the most

natural thing in the world, I quickly stripped and joined Heidi in the shower.

As I lathered Heidi up, she told me, "Blimey, your tits are so nice," then actually started kissing them. Wow! This was already working better than I'd dared hope, and I continued slowly soaping her gorgeous body. "Mmm," Heidi whispered. "You know, I've never done this with a girl before..."

"You and me both!" I replied with a grin, and we started kissing slowly and touching each other under the hot jets of water. Heidi's juicy boobs were smaller than mine, but with big nipples that I just had to suck. She

moaned hungrily as my hands moved swiftly to her shaven pussy. As I stroked her dripping cunt I asked her if she wanted to move to the other room. We never made it beyond the sofa, where our naked bodies were grinding against each other.

As we rubbed our soaking snatches together, I remembered my vibrator. It's a very useful little toy, curved too, so it easily reaches the G-spot as well as doubling up for anal. I decided to dive straight in with Heidi – wanting to taste her sweet pussy while giving her a good ride with the vibe. I licked around her clit slowly, enjoying lapping up her juices. Squirming with pleasure, she opened her legs wide so I could dig my tongue deep into her lovebox. Boy, did she love that! Then,

CURVE-BALLS!

Dear Club,

I've just moved out from a relationship/girlfriend's flat recently – she still has a number of my belongings including my computer – suffice to say in abstinence to any horizontal activity I am missing my computer and the odd adult website! So needs must I went to a local shop and surveyed the top shelf – *Club* caught my eye. As a remedy I bought it to cure some long lonesome nights without an activity partner or computer to hook up with one! I have to say out of all those models the one woman that caught my eye was the reader's wife looking extremely hot volume 41.06 page 57 [I love long black haired women with a fringe with killer curves]. My godfathers forgive me father for lusting after another man's wife! A million hail Mary's later I've decided to write to you and enquire who this raving raven is? I would love a back copy or emailed photo set of this darling! She deserves a proper centrefold cover, fan club and website! Please pass on my email, I'll be her manager and more! lol Cheers,

Gus via email

Cheers Gus. We reckon you mean Stella, who was the Reader's Girlfriend in issue 41/5. Yes, those curves are eye-watering. We don't do this for everyone, so keep it on the hush, but we'll sort you out a copy.

HAPPY-GO-FUCKY!

Dear Club,

I just had to say thanks, you're getting better and better – the incredibly beautiful (and horny) Hicks photos, the regular two-girl sets, the double-page shots (that one of Tess and Victoria in the current issue is astonishing) – you're making a lot of people very, very happy, thank you.

Dave, Nottingham

*You put a smile on our face, Dave. We try our best, and even though it's a difficult, p
orn-crammed world, we know there are discerning gents like yourself who appreciate the unique experience a magazine can deliver, and that's who we're doing it for!*

spreading her legs wider, she gasped, "Fuck my arse with that bad boy while you bring me off with your tongue!" I lingered a moment licking around her puckered bumhole, and she opened up to me with a squeal of delight. "You're so dirty! My boyfriend never did this to me!"

"Well, now you know what to tell him to do," I replied. I was really fired up now, and just had to take the plunge, and sit on Heidi's face while I vibro-fucked her arse. We arranged ourselves on the sofa and I lowered my aching cunt over her face begging her to lick me out. And so she did, until I came above her face. All I could hear were her muffled moans as I continued to writhe over her eager lips and set to work on her pussy and arsehole. My fingers frigged her clit while I wet the vibe in her cunnie first and started working it into her tight bum. She was soon thrusting against it like mad as I was grinding my hips against her face in another shuddering orgasm. And neither of us is a lesbo. What's more complicated than a woman?

SUNNY ♣

A spray of sunshine...

We dug in the files this month and looked at some old stills of Sunny Leone when she was a new porn star back in the early noughties. And we can say, without fear of contradiction, that she's hotter now than she ever has been. Yup, she's grown into her looks, and while we can't put our finger on exactly what it is – confidence, maybe, better styling, better photography, who knows? – we're happy to go on the record and say these are best snaps of the lovely Sunny we've ever seen. Yep, we're always happy to blow our own trumpet, and we're going to toot away about this: This is the new gold standard of Sunny Leone photos, in your ever lovin' *Club*. ♣

TESS & VICTORIA ♣

Tess one off to them...

Do we try to impress Tess with how well-read we are by calling her Tess of the D'Urbervilles? Or do we just let these two hornbags go at each other? Definitely the latter...

"Oh fuck, I could lick and suck on Tess' cunt all day long," gasps Victoria, coming up for air. "It's so

sweet and juicy."

"Yours isn't too bad either," exclaims Tess, moving herself into a 69 and chowing down.

After that, we didn't get a word out of them, but what they were doing spoke for itself. And what it said was, "We're a massive pair of fanny-crazy lesbians who love minge." ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

CRAMMING CLAIRE!

Like most women, I suspect, I've come home to catch my husband in mid-wank a few times during our marriage. When we were first married, he used to get really embarrassed about it, and I'd come home to find him desperately trying to turn off the porno DVD and pull up his trousers at the same time, his poor cock still hard and expectant as he did so. But over the years he's come to realise that I really don't mind, and these days I'll sometimes get home and shout upstairs to ask him what he's doing, only to have him

shout back down, "Having a wank!" Usually when he does this I come up and join him, sometimes helping him out with a handjob or a blowjob, and sometimes if he's got a good DVD on, treating myself to a quick one off the wrist alongside him (which he loves – funny how men love watching girls watching porn and wanking, but they all do). Anyway, the other week the boot was on the other foot when he came home early and caught me out, only I wasn't just giving myself a quick treat – it was something far worse

than that, or better!

I'd been getting friendly with a new girl at work called Claire over the past few weeks – nothing special, I didn't think, just a new mate. We'd been out together a few times and had a laugh, so after a night with some other friends at the pub I invited Claire back to mine for a coffee, knowing that my husband John was working late and wouldn't be back for ages. Claire and I sat on the sofa and started to flick around the channels looking for something worth watching, but it was all rubbish. "We could always put on one on John's dirty films," I laughed. "Go on then," said Claire, "I haven't watched a mucky film for ages, and it's got to be better than this crap." I went over to the cupboard where John keeps his porn stash, picked the first film from the top of the stack just glancing at the cover, and popped it into the DVD player.

I knew from the cover that it was a Viv Thomas film, which I was pleased about, because I knew that they are quite 'tasteful'. But as the film started, to my intense embarrassment I realised that it was an all-lesbian film, featuring 'Sexy Jo' (my namesake) with a variety of other Viv Thomas favourites like Sandy, Stella, Vera, and Eve. So I'd only gone and invited a girl back to my house, then put a lesbian film on for her to watch with me!

Not that Claire seemed to mind one bit. She had picked up the remote, and was fast-forwarding through all the boring talky bits to get on to the sex, just like John does. It was typical Viv Thomas stuff – lots of slow shots of girls kissing deeply, then long close-ups of them licking each others' pussy and arse, with a bit of anal

fingering thrown in for good measure. The girls were all gorgeous – perfectly made-up and wearing sexy lingerie – and the orgasms looked pretty real. Either that, or they were very good actresses, but it's hard to fake that flush all over the top of your boobs that we girls get when we cum.

Watching a scene with Jo and Stella, Claire said, "It's good to see girls with smaller boobs like mine in these films. They've normally all got massive fake tits in pornos." I had to agree that both Jo and Stella were not overly well-endowed in the boob-department, but what they had looked lovely and ripe, and I said to Claire, "They look just fine to me." To which Claire thoroughly surprised me by saying, "Do you really think so? I think that they are too small," whilst slipping off the shoulder straps of her dress and lowering it to her waist, revealing a pair of undoubtedly rather small but certainly very pert breasts, quite unrestrained by any bra.

"You're lucky," I said, "You don't even have to bother with a bra. If I went out like that with my tits I'd get arrested for indecent exposure!" Claire laughed, and said, "You're not that big are you? Give us a look." At which she reached over and started to unbutton my blouse for me. I let her finish, feeling a bit strange to have another girl start to undress me, but also a bit turned-on by it – especially as Claire's little boobs were now that much closer to me, whilst at the same time Viv Thomas was treating us to a particularly long and slow close-up of Jo working her tongue around Stella's lovely

smooth twat, whilst Stella was fingering her own arsehole and clearly working herself up towards a huge orgasm.

Claire finished unbuttoning me, and I slipped my blouse off, thankful that I had chosen to wear one of my sexiest bras in turquoise blue lace. "I see what you mean," said Claire, "You have got quite a pair. They don't look that big with your clothes on." I laughed, and thinking to myself 'in for a penny in for a pound', I said, "Watch this then" before reaching behind to unhook my bra, letting it slip off me and then leaning back on the sofa to reveal my 34DD's in all their glory. "Wow," said Claire, "Can I touch them?" Given that she had already reached forward and put one

hand under each boob, and was now cupping them to feel their weight, I wasn't sure whether I needed to say yes, so instead I said, "OK, so long as you'll let me suck on your nipples." Claire let my tits go and said, "Of course - I'd like that," before kneeling up on the sofa and pushing her chest forwards towards my face. I opened my mouth to take a nipple in, but her boobs were so small I couldn't resist opening wider and taking almost an entire breast into my mouth and sucking on it. This must have been OK, because I heard Claire let out a long sigh of pleasure, just before the sound of Stella cumming over Jo's face drowned out everything for a few moments.

"I was transfixed at the sight of my husband's cock stretching another girl's arse"

Claire gently leaned back to pull her little boob out of my mouth, then bent down and replaced it with her tongue, kissing me deeply and passionately - we would have made Viv Thomas proud. As she did so, she trailed her hand up under my skirt, caressing my inner thigh and edging towards my crotch. She slipped her hand under the waist band of my panties she reached down and started to gently yet firmly caress my clitoris with the pads of two fingers, whilst at the same time returning her attention to treating me to one of the sexiest kisses I'd ever enjoyed in my life, her lips pressed against mine and her tongue dancing around inside my mouth.

This was all incredibly horny for me, and even though I now had my eyes closed, I could still hear the girls in the background getting each other off with their lips and fingers. Claire's own fingers were working magic on my clit, which I could feel had become engorged and swollen to her touch, and I could start to feel the tell-tale butterflies in my tummy that always warn me that I'm getting close to cumming. Claire reached her free hand across and firmly squeezed my breast, which was the final tipping point for me, and with our lips still locked together in a passionate kiss I experienced a powerful orgasm under her touch. Claire knew just what a girl needed, and as I rode my orgasm she continued to rotate her fingers around my clit for just a few more seconds to keep me going, before moving them away just at the moment post-orgasm when the clit is so sensitive it almost hurts to have it touched.

Claire leaned back away from me, a huge grin on her face. "Seems like you're pretty easy to get off," she said, "I'm just the same." Clearly she was right, but my mind had moved to other things, and I just replied, "I want to taste you - now." It seemed like Claire didn't need telling twice, as she stood up from the sofa and let her dress fall to the floor. I must confess that I was a little shocked to see that not only had she not worn a bra on our night out - quite acceptable given the size of her boobs - but that she had also gone without any panties, and was now standing in front of me with her dress around her ankles and not a stitch on underneath it. She stepped out of her dress and lay back on the sofa, one foot on the floor and the other hooked over the back of the seat, so that her bald pussy was completely exposed to me.

“It seemed like Claire was not as used as I was to taking cock up the arse”

She reached down and gently separated her lips for me, completing her total exposure to my gaze, and inviting me onwards. I positioned myself to comfortably allow me access, then dipped my head forwards and took my first taste of her, allowing my tongue to roam freely around her sex, and then push its way as deep as it could inside her. This is where we were when John arrived home three hours earlier than expected.

So there I was, my tongue stuck up another girl's cunt, and my husband staring down at me. I don't know which of us got the biggest shock – me, John, or Claire – but Claire certainly seemed to regain her composure first. “Hello,” she said, “You must be John. Me and Jo have just been having some fun, so why don't you come round here, and I'll look after you whilst Jo looks after me.” For a few moments John seemed too stunned to move, and just stood staring at me between Claire's legs, looking back up at him with her pussy-juice glistening wet around my mouth. But then I guess the man in him took over, and

realising what was on offer he quickly walked round to where Claire was, and allowed her to reach up and unbutton his trousers, pushing them and his pants down to his knees, and taking his still flaccid but rapidly hardening cock in her hand and guide it towards her mouth. John continued to stare at me as Claire started to work her lips on his dick, and she obviously knew what she was doing, as it went from semi-hard to fully erect in about 3 seconds in her mouth.

For my part, I guess that I should have been deeply shocked to see another girl sucking my husband's cock, but instead I found it highly arousing to watch. I knew how it felt when I sucked John off, so in my brain I could feel what Claire was feeling, but I was seeing it from an angle that of course I never normally get to watch. Anyway, for whatever reason it looked incredibly sexy to me, but mindful of the job in hand, I dipped my head back down to Claire's cunt and started to work away with my tongue again, this time focussing around her clit, but keeping my

eyes fixed on the blow-job that my husband was enjoying from the girl whose pussy I was tasting.

John also kept his eyes fixed on what I was doing, so from time-to-time I lifted my head up to him so he could see Claire's sticky juice around my lips and chin, which I knew would turn him on big time. It must have done, because Claire had only been sucking him for a minute or two when I recognised the sudden increase in his breathing rate that always happens just before he's about to shoot his load. I watched transfixed as his whole frame shuddered several times, and I knew that he would be filling Claire's mouth with his cum. She seemed more than able to cope with it – she kept him in her mouth as he spunked, and when she finally let him slip from between her lips, his satisfied cock was wilting.

Claire reached down and took my face in her hands, lifting me up towards her. She bent her face to mine and kissed me full on the lips. I was expecting to taste a bit of John's jizz on her lips, but not the big mouthful of spunk that she delivered – she'd obviously not swallowed, but saved it for me instead. Pushing her back on the sofa, I

positioned myself above her, then opened my mouth and let John's cum drip out over her face. She tried to catch it in her own mouth, but most of it fell on to her cheeks, so I bent down and licked it off her, before pressing my lips firmly to hers, and pushing a load of the jizz back in to her mouth with my tongue, mixing it with her own cunt-flavour from my lips. As I pulled away, a trail of sticky semen formed between our lips, before snapping and falling against her chin.

I turned my head and took John's flaccid cock into my mouth. I sucked hard on it, whilst wanking his shaft up and down with one hand and firmly caressing his balls with the other. Below me, Claire was kneading her little tits with her hands, whilst telling John in no uncertain terms that his wife was the best pussy-licker she'd ever had the pleasure of. Not surprisingly, it didn't take much of this for

John to get fully hard again, and I knew exactly what I wanted next.

Freeing John's now rigid cock from my mouth, I turned back to Claire and – pausing just to give her just one more spunky kiss – I positioned her on all fours on the sofa, her arse in the air. Grabbing John's cock, I pulled him toward her, and steered his shaft into her cunt, made sopping-wet by the licking that I had given it. As John started to fuck Claire from behind, I dipped my head down and let my tongue trail around her cute little bumhole. If I'd thought that watching my husband being sucked by another girl was sexy, watching him fuck her was even more so, and with every thrust he made into her I felt a little wave of pleasure, like it was me that he was fucking instead of her. But I wanted even more, and leaving them to it for just a moment I nipped to the bathroom and

got a tube of lube from the cabinet.

Returning to where my husband and – well, I guess I'd have to call her my girlfriend – were fucking, I squeezed a dollop of lube over Claire's arsehole, and started to work it in with first one, then two, and finally – when she was stretched enough – three fingers. Then I took John's cock in my hand and steered it out of Claire's cunt, repositioning the tip of it at the entrance to her arse.

With the fingering that I'd given her, I was expecting John to slide in easily, but it seemed like Claire was not as used as I was to taking cock up the arse, and John was so engorged that even as I pushed him forward, Claire's anus failed to yield, and he could get no more than the very tip of his cock up her bum. But I was determined to watch my husband fuck another girl up the arse, so I reached round and started to play with Claire's clit, a trick that I'd learned on myself when I first started letting John bugger me. Sure enough, as Claire's attention was drawn to the pleasurable feelings that I was giving her around her clit, so her tight sphincter relaxed, and John's cock started to inch its way in.

I watched transfixed at the sight of my husband's cock stretching another girl's arsehole wide open. I don't why, but I found it intensely horny to watch, and found myself wanting to do something dirtier than I ever thought that I would. So I gently pushed John back so that his cock slipped out of Claire's arse, then took it straight into my mouth and sucked greedily on it. Claire's arse was gaping open sexily, so as I let John's cock out of my mouth and re-positioned it, he slid straight back in with no problem. I let him thrust a few more times, then repeated the process of removing his cock from Claire's arse, giving it a quick suck, then sliding it back in through her gaping hole again. I did this a couple of times, and not

surprisingly the third time that I let John push back in to Claire's arse, he only managed a couple of thrusts before I heard him grunt and saw the base of his cock twitching violently as he shot his load up Claire's bum. I left him embedded in her arse, and moved round to share one more deep and loving kiss with her to thank her for what she had given us...

ANNELI ♣

Starfish and stripes...

Anneli has just returned from a holiday in New York and New England (luckily she missed Superstorm Sandy), all enthused with the place.

"I'm desperate to move there," she gushes. "The people, the places, the food, the scale of it all. It makes home seem quaint."

But what about the noise, the weather, the Tea Party Republicans, the lack of easy access to English men?

"Well, I could become a citizen and vote Democrat, the weather is fine, and there are plenty of Brits there. But I want to try out some American cock first!" ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

TIPPED OFF!

Hell hath no fury like a woman scorned, and Sinead Walker of Bath proved it when she tried to bite her ex-bloke's cock off after a row. Walker had been kicked out of the house after assaulting Vincent Rennoldson at his flat, but returned to apologise. He let her in, and after she kicked off again, he called the police. While he was on the phone to the old bill, Walker yanked down his boxer shorts, attempted to pull his penis off, then bit into it, leaving him with a 3 inch scar. She claims the injuries are a result of vigorous lovemaking, but his screams of agony on his 999 call were played to the court. "It has affected me – I was watching *Jaws* the other night but had to turn over," Rennoldson said.

PISS OFF!

Staying with urine news, keep Sergio Valderrain in mind when it comes to nominations for father of the year. His wife Jennifer woke in their Phoenix, Arizona home to what she imagined was the sound of running water in the kitchen. Oh no. The source of the sound was actually her charming hubby emptying his bladder over the face and body of Grayson, their infant son. Sergio later claimed he was drunk on Four Loko (a foul alcoholic energy drink once banned in several states) and thought he was standing over the toilet. His wife, however, told the authorities he was laughing and said, "Now Greyson has something to remember his dad by." Heartwarming stuff, we're sure you'll agree.

TAKING THE PISS!

We can see why criminal masterminds are so popular in movies – who wants to watch a film about the criminal morons who populate this column? Mischelle Lindy Salzgeber of Dade County, Florida, on probation for selling stolen property, attempted to fool a drug test with the old urine switcharoo. But her method was unique – a body scan revealed a small vodka bottle full of someone else's urine tucked away inside her vagina. As a double whammy, it turns out that the fake urine failed the drug test anyway. Genius.

911 IS A JOKE!

Hey, criminals, here's a tip: When in the process of committing a crime, it's not a good idea to call the police. Michael Gorneau, 46, of Connecticut was attempting to steal 700lbs of scrap metal from a business but in the process of crawling under a fence his phone accidentally dialled 911 (the American version of 999). As all the operator could hear was muffled background sounds, an assumption was made that there was a medical emergency. The phone was GPS located and emergency services turned up to find Gorneau loading scrap metal onto his pick-up truck. He was charged with third-degree trespassing, sixth-degree larceny and first-degree being a total plum. ♣

READER'S GIRLFRIEND

Fancy a Reader's Girl slot? Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email clubint@paulraymond.com). If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Lorena **AGE:** 22

FAVE SEX: Romantic!

WHAT'S SHE LIKE? A bit of class with a hint of the kinky about her.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Plain and simple, I want to be a model and I think I've got a chance. Plus my boyfriend told me I was as hot as most of the girls in *Club*, although I think he was after something at the time!

DID HE GET THAT SOMETHING?

He did, and it was the first time I'd let him anywhere near my bum! It won't be the last time though...

THIS IS A PRETTY CLASSY SHOOT – A CUT ABOVE OUR USUAL FIRST-TIMERS!

My bloke fancies himself as a photographer – he thinks we can be a dream team. He's good, but I still want to work with some of the *Club* legends like Hicks though.

WE'LL SEE WHAT WE CAN DO...

If you're serious, can you add Sage and Holly Randall to the list as well. I fancy a trip to the States... ♣

MADISON ♣

Madison having you...

When it comes to fresh-faced American hotties shot beautifully, they don't come any better than Hicks. And in discovering Madison here, he's only gone and done it again.

"It's great to shoot with Hicks," enthuses Madison. "You just know he's going to make you look amazing, and that the lighting will be beautiful."

It helps that he's got such an amazing subject to work with.

"That's mighty sweet of you to say," the Colorado cutie blushes, "but it's really all down to him. Me? I just hope a few of your readers like me enough to write me some letters or emails."

We'd say that's a certainty... ♣

GARDEN PARTY!

I'd been nagging my husband John to get our garden sorted out for at least a year, but he just kept putting me off with excuse after excuse. Then, on a night out, I introduced him to my friend Geri, who'd just completed a garden design course and was looking for business, and he jumped at her offer to help us. I couldn't help but think that the fact that she was pretty hot had something to do with it, but I wasn't about to complain.

The day that Geri came to look at our garden was very warm – a rare real English Summer day. So I guess that it was fair enough that she was wearing just a vest top, a pair of ultra low-slung jeans, and sandals. But there was no denying that it made her look sexy as hell – every time she reached up to point something out to us, the vest rode up revealing her lovely little girlie tummy over the top of her jeans, which sat so low on her there was even a glimpse of white panty-top, and the hint of a cute tattoo of a hummingbird on one side just at the line where her tummy met her groin. And when she bent forwards, you could just see the top of the crack of her bum, which was a lovely sight.

I knew the effect that this would have on John – he has a real thing about girls in vests, and because it was so warm I was wearing one myself, so he was already pretty horny. And whilst I had a bra on under my vest – no choice with boobs like mine – it looked to me like Geri hadn't bothered with one herself. I certainly couldn't spot any bra straps as she wandered around our garden, and when she turned to talk to us I could clearly make out the outline of her breasts under her top, and you really couldn't miss her nipples poking out through the material.

My suspicions were confirmed when she leant forwards to smell our jasmine, which the warmth of the sun had made especially fragrant that day, and John and I were treated to a clear view of two perfect little mounds down the front of her vest. John had shorts on himself, with no pants, and a quick glance down told me that he was now sporting a big erection under them. And I have to say that he wasn't the only one who was getting a bit worked-up – the warmth of the day and the

sight of this sexy girl wandering around our garden not wearing too much was making me feel pretty horny too.

I told Geri that we were very keen to have a good view of the garden from our bedroom window, so John led her inside and up the stairs to see. I followed behind, and couldn't resist hanging back at the bottom of the stairs as she walked up, to get a view of her

bum. I was enjoying the sight of what can only be described as a very peachy rear, when she turned around and caught me looking. I blushed bright red, but Geri just smiled at me, and then followed John in to the bedroom. I caught them up, thinking that if I got the chance I was determined to get a better look at that arse.

John and Geri were standing at the window

looking out over the garden, when John said, "We do need some privacy, because Jo likes to sunbathe topless out there." I looked daggers at him, but Geri just smiled again and replied, "Of course. With boobs like Jo's

clearly having some trouble speaking! Not about to be outdone by this girl in front of my husband and in my own bedroom, I said, "Perhaps you're right." And with that I pulled my vest over my head, then reached behind

this. It looks alright, doesn't it John? Don't you think that Jo should do the same?"

John was just about able to agree with her, although he was

hard and long. My own nipples are the same, and John loves them, so I knew that he would be getting very turned on by this. And I couldn't deny that it made me feel pretty horny too, having this dead sexy girl standing topless in front of me.

And she hadn't finished. "It's a bit hot for jeans too," she said, unbuttoning hers and pushing them to the floor at her feet, revealing a very tiny pair of thong panties underneath. If the sight of her curvy womanly form standing just in her panties in front of me really got my juices flowing. I decided that this marked the point of no return for us, so murmuring "Nice," appreciatively I stepped forward and put one hand between her legs to stroke her pussy through the material of her panties, whilst with the other I drew her face to mine and gave her a long and slow kiss. I made sure that she felt my tongue push a little into her mouth, in time with my fingers tracing firm circles around the little fleshy mound between her legs.

Geri responded to both my tongue and my fingers, opening her mouth the let me explore further, and pushing her crotch forwards to

I laid her back and pushed her thighs open to reveal a very cute little pussy"

you'll have everybody in the street looking if you're not careful, and a pair like that should be reserved for special friends." Geri had turned to me as she said this, and was looking directly at my chest. Two can play at that game I thought, and said, "You've already given the neighbours a bit of a show today. Couldn't you find a bra this morning?" Geri laughed out loud at this, and replied "Oh I don't bother with a bra on a hot day like

and unhooked my bra, letting it slip off my shoulders so that my double-D's swung free. "That does feel better," I said, "Why don't you try it?" Now it was Geri's turn to look a little shocked, but she soon recovered and peeled her own vest off, revealing a lovely pert pair of tits, not nearly as big as mine, but not too small either. Her nipples were standing proud, and it was no wonder they had been poking through her top, because they were quite

press more closely against my fingers. Even through the material of her panties I was surprised that I could feel the warmth and the wetness of her there against my hand, and I know that between my own legs things would by now be much the same.

John meanwhile had moved behind Geri and reached round to cup each of her breasts in one of his hands, gently massaging the boob flesh with his fingers, and – I was certain – pressing his erection against her bum whilst he did so. Letting my lips separate from hers for a moment, I took Geri by the hand and led her over to the bed. I gently sat her down at the end of the bed, then got her to lift her hips whilst I knelt in front of her and peeled her panties off, getting a good view of her little humming bird tatt just above and to one side of her puss. I laid her back and pushed her thighs apart to reveal a very, very cute little pussy. It was smooth as smooth could be – not a single hair in sight anywhere.

Geri's pussy opened obligingly to take the full length of his shaft in one stroke"

And it was – well, the only word for it is plump. I guess that it had got a bit more swollen than normal because I'd been caressing it, and I could see more evidence for that by the way that it glistened with wetness as I gently separated the outer lips with my finger tips, to view the pink moistness within.

I knew what I wanted, but I was worried about John. Glancing up, I saw that I needn't be, as he'd already shed his clothes and was now kneeling on the bed at Geri's head, and she was cupping his heavy balls in one hand whilst holding the base of his thick cock in the other and directing the tip of it between her lips and into her mouth, where she was licking and sucking it for all she was worth. Satisfied that John was – well, being satisfied – I turned my attention back to the glorious sight of Geri's open pussy before me.

Separating her lips a little further with my finger tips to expose still more of her pink insides, I dipped my head forwards and started to explore with my tongue. I

alternated between long slow licks along the length of her gash, then darting movements as far as I could force my tongue in to her cunt, then little sucks on her clitoris, before going back to the long slow licks again. All the while I could taste her pussy flavour in my mouth – sweet, tangy, and musky all at the same time. She seemed to like what I was doing, because even with John's cock in her mouth I could hear her making little whimpering sounds whenever I got near to her clit, and each time I sucked it gently there was a fresh surge of wetness for me to lap up from her cunt below.

I was tempted just to kneel there between

her legs licking her pussy until she had finished sucking John off, but the sight of his cock engorged and twitching in her mouth had given me a different idea. I clambered up the bed and gently pushed John back so that his cock slipped from Geri's lips, allowing me to give her a very pussy-flavoured kiss, which I made sure lasted long enough for her to get a real good taste of her own cunt from my lips and tongue. Then I led John back to the foot of the bed, and got him to kneel on a cushion between Geri's legs so that his cock was level with her pussy. Holding her lips open with one hand, with the other I

steered the tip of John's cock to her entrance. Both cock and pussy were wet from the sucking and licking each had taken, so not surprisingly with very little effort John started to slide into Geri's pussy, which opened obligingly to take the full length of his shaft in one slow and gentle stroke.

I quickly removed the rest of my clothes, then knelt back down and started to trace firm little circles around Geri's clitoris with the pads of my fingers, whilst John began to fuck her slowly but firmly, pulling his cock nearly all the way out of her cunt with each stroke, then sliding it right the way back in up to the hilt. I was

expecting that this would have John spunking pretty quickly, but what I didn't anticipate was the combined effect of my clit-rubbing and John's pussy-pounding on Geri, who after only a couple more thrusts from John suddenly gasped loudly and bucked her hips upwards as her orgasm hit. I took my hand away from her clit – if she was anything like me it would be so sensitive at this point as to be almost unbearable to touch – and I held John still to let Geri ride the waves of her climax. As her groans subsided and her hips rested back down on the bed, I gently eased John's cock out of her and gave it a quick suck myself; just to enjoy tasting Geri's orgasm juices from it, then let him push it back inside her.

“One, two, three, four huge jets of sperm flew out and splashed onto our cheeks”

“Go on,” I urged him, “Fuck her hard now.” John duly obliged, his cock starting to piston in and out of Geri’s now sopping cunt. I reached behind him and started to tease his arsehole with my fingers, which I knew would have the desired effect of making him lose his load quickly. And sure enough after only a moment or two of this he gave one last mighty thrust to embed his cock as deep as it could go into Geri’s snatch, and cried out as he pumped wad after wad of cum into her. John’s always produced a lot of spunk – when I suck him off it’s always at least three gulps and sometimes four – so I knew that Geri would be getting a good filling from him.

This is exactly what I wanted, because as soon as I sensed that he had finished, I pushed him back so that his still hard cock slipped out of her. Her pussy remained flared open where John’s dick had been, and I could see the first trickle of his cum started to leak out. I watched entranced for a few moments as that trickle grew larger, and as soon as I could see a good glob of John’s spunk at the entrance to Geri’s cunt, I leant forward and lapped it up, pushing my tongue deep into her open folds to catch as much of it in my mouth as I possibly could. Oh, what a taste it was – the familiar one of my husband’s cum, but mixed with the new flavours of this sexy girl’s pussy. I couldn’t get

enough, and as more and more of John’s spunk leaked out, I pushed my tongue further and further into Geri’s cunt to get to it. When I could find no more with my tongue, I used two fingers to probe inside her and scoop more cum out. I greedily licked my fingers clean, until even using them I could find no more. So finally I turned to John kneeling beside me, and took his now flaccid cock into my mouth and sucked the last spunk and pussy juice that I could from it.

Finally satisfied, I crawled back up the bed to Geri and gave her a long and slow spunky kiss, letting her lick the last remnants of pussy juice and cum from my fingers. “Your turn,” she smiled at me, but instead of rolling me on to my back as I’d expected, she turned me on to my tummy, and started to place little butterfly kisses on the back of my neck and then down my spine. When she reached my arse I felt her place a hand on each butt cheek, then gently pull them apart to reveal my most intimate place between. “Lovely,” I heard her murmur, before I felt first the warmth of her breath and then the wetness of her tongue at my anus.

Geri slowly let it trace a little circle around my rim, and then flicked it back and forth over my hole. I’ve always been super-sensitive anally when I’m turned on, but as

Geri continued to tease me with her tongue I realised that she might be about to achieve something that not even John had ever managed – she was going to get me off just by licking my arse. I was tempted to reach my hand down between my legs to give my clit a little rub, just to push me over the edge, but I wanted to see if Geri could take me all the way with her tongue at my anus alone. So I kept my hands up by my head as Geri continued to circle and lick at my hole, and sure enough after just a few more minutes I felt the unmistakable fluttering in my belly that told me that my orgasm was fast-approaching. Still, I

kept my hands from between my legs, and I was rewarded when a wave of pleasure suddenly erupted from the point of Geri's tongue on my arsehole and washed over my entire body, leaving my toes literally tingling with the intensity of it.

When I finally recovered sufficiently to role on to my side, I could see that what he had just witnessed had not surprisingly got John ramrod hard again, but that Geri had not neglected him and had his cock back between her lips again. I decided on one last treat for him, so snuggling up to Geri on the bed I put one arm around her whilst with the other I gently eased John's cock out of her mouth and took it into my own. I gave it a quick suck and let my tongue play over the sensitive tip for a few minutes, then handed it back to Geri and let her do the same. As she sucked on John's tip, I licked at his shaft, and as my lips reached Geri's we snogged passionately, me holding John's cock just below our chins as we did.

"Is it OK if we let him cum on our faces?" I asked her, "He loves that." Geri just smiled sweetly at me, kissed me deeply again, then looked up at John and said, "Of course he can spunk on our faces. Come on, John – give us all you've got." John grabbed his cock and started to pump away at it, pointing the tip straight at Geri and my faces from about three inches away as we cuddled close together on the bed and gazed up at him. "Come on, John," I urged him, "Let us have a coating of that lovely jizz. Spunk all over our faces." Geri pulled me closer and kissed me again, before turning her face back up to John just as he let out a gasp and his cock erupted before our eyes. He kept pumping with his fist and pointing his tip first at Geri then at me as one, two, three, four huge jets of sperm flew out and splashed on to our cheeks and chins. I went to take him in my mouth, but he hadn't finished, and with a final tug he produced two more spurts, one each, leaving both our faces covered in his mess.

As John staggered back, his rapidly softening cock still gripped in his hand, I looked over at Geri and saw the thick rivulets of spunk running down both her cheeks. I could feel that my own face must be looking just the same, although I felt like my chin and forehead had taken a good covering too. In any case, there was only one thing to do, and pulling Geri to me I began to carefully lick her face clean of John's cum, pausing only to give her a long and loving kiss and let my hand sneak down towards her pussy again...

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

While medical series *House* was pretty much a busted flush by the time of its demise, despite the excellent work by its cast – most notably Hugh Laurie – it was still a must-see. We thought the eye candy had been soured when Jennifer Morrison left, but we hadn't reckoned with Olivia Wilde. As '13' she was tragic, feisty, doomed and oh-so-fucking-fit. Before she made her name, she was topless in 2006's *Alpha Dog*, but once famous teased us relentlessly in *The Change-Up*, *Butter* and by wearing a succession of tight futuristic outfits in the dogshit *Tron* update. But huzzah! In 2012's *Deadfall* she plays a depressed girl who gets her boobs out. The perfect combination! ♣

TEAL ♣

Suck and truck...

It's not Teal's fault that she's got a name like a spurious paint colour. But it could have been worse – she could have been called Eggshell Blue. No, her agent gave her the name on her first day as a model and, now she's made a bit of a name for herself, she's stuck with it. Personally, we love it. It's a gift to us headline writers. 'Cop a feel of Teal', 'Teal Time', that kind of thing. And, also, we're far too taken with her amazing body and liquid eyes to worry about her moniker. Nope, she could turn up as 'Burnished Bronze' and we'd still stick her on the cover and in the centrefold. Especially if she gives us a lift home in that truck... ♣

TOMMIE JO ♣

The Olympic Phwoarch...

We already thought Tommie Jo was pretty much the perfect woman. Well, let's confirm that. When she told us her plans for the Olympics, her place in the pantheon was sealed.

"I'm going to throw a load of sickies and drink all day watching it," she says.

But what does she think of the creeping commercialisation of the Olympic ideal?

"I couldn't give a fuck, to be honest, as long as I don't have to watch those twats Seb Coe and Boris Johnson on telly. I want to see the cycling, the boxing, the basketball and the athletics. I didn't get any tickets, so I'll be on the sofa with some cans of Stella and not much on for the entire duration.

See, perfect... ♣

BRETT ♣

What's in a name?

This is Brett Rossi's 2nd appearance in the pages of *Club*, and we're just about coming to terms with her having a man's name.

"Not again, you guys!" the Yank cutie sighs exasperatedly. "We had all this last time. Listen, it's the industry – how many people do you know in real life with the kinds of names we porn girls have? Everyone is Jelena, Tiffany, Jenna – there's aren't many Hildas or Ednas."

Yes, Brett, but that's because it's not the 1950's. "You know what I mean. Anyway, I'm not the only Brett in porn."

Well, you're the only one with a vagina. Doesn't it get confusing on set when you're working with a man called Brett?

"Do your research, boys! I'm strictly a lesbian performer. And Brett is a girl's name!" ♣
